First Sunday of Lent February 21, 2010

The word is near you, in your mouth and in your heart. — Romans 10:8

REMEMBER

Once again the Church invites us to enter the desert of repentance. That desert, as today's first reading reminds us, is also a desert of remembrance. This holy season summons us to remember all that God has done for us. Like the Israelites who recalled their captivity and God's work to free them from the Egyptians, we, too, recall those times when we were held captive by sin and experienced freedom through the gift of God's redeeming love.

Saint Paul tells us that the word of God is near us; it is in our mouths and in our hearts. May that sacred word prompt us to remember God's great work of reconciliation in our lives and in our community. As this season of Lent unfolds, let us take to heart these words of Saint Paul and spend these forty days calling upon the name of the Lord, asking for forgiveness and healing.

LENTEN REGULATIONS

Everyone 14 years of age and older is bound to abstain from meat on Ash Wednesday, the Fridays of Lent and Good Friday.

Everyone 18 years of age and older but under the age of 60 is also bound to fast Ash Wednesday and Good Friday.

On these two days, the law of fast allows only one full meal a day, but does not prohibit taking some food during the day, so long as this does not constitute another full meal. Drinking liquids during the day is permitted.

When health or ability to work would be seriously affected, the law does not oblige. In doubt concerning fast or abstinence, a priest assigned to pastoral ministry or confessor should be consulted. In the spirit of penance, the faithful should not lightly excuse themselves from this obligation.

Parishioners are encouraged to receive the Sacrament of Reconciliation during Lent, and to attend Morning Prayer at 7:15 am, and one of the three daily Masses at 6:30 am, 8:00 am and 5:10 pm.

Stations of the Cross are held Fridays at 2:15 pm & 7 pm.

BABY FATTENS UP & KICKS HARDER

Your spiritually adopted baby is beginning his/her eighth month in the womb. Baby's skin is starting to thicken and he/she continues to gain weight and will grow to 18 inches in length. Baby will be developing a layer of stored fat for insulation and nourishment. He/she is swallowing a gallon of amniotic fluid daily and often hiccups. Baby's kicks are stronger now and mother may be able to feel an elbow or heel against her abdomen. Keep praying for the well-being of your adopted baby and mother.
