*Gentle God,
may you bless us with the gifts of
courage and strength,
peace and joy.
Christmas celebrations remind us
that you send fresh promises each day;
that your love, made flesh
in a baby asleep in a stable
continues to be our life-source.
During the season blessings,
may our hearts be cradles for the living God.
Amen.*

The St. Dunstan Office of Religious Education along with its catechists and staff extend our wishes to you and yours for a very Merry Christmas and a joyous New Year.

May we accept God's invitation into the light and to receive his gifts of joy and peace, hope and wholeness. Open us to the wonder that is God.
