Festival

Big shout out and Thank You to all of our parent volunteers who helped with this year's Festival. Your help was appreciated and I hope a good time was had by all.

Room Parents

We will have our first event of the year on Tuesday, October 27th. CCD classes will have their Halloween parties as well as trick-or-treating between the classrooms. Look for flyers—costumes or Halloween apparel can be worn.

Looking Ahead

We will not have classes in Grades First through Sixth on Tuesday, November 3rd and Tuesday, November 24th. Please check your calendars.

Mission Bingo

Today we start our Mission Project. We will be collecting donations for the Holy Childhood Association who will be assisting the children of Nepal. See additional information on the flyer distributed today in class. We ask for all donations to be turned into CCD by December 8th.

Health & Safety

If your child is showing signs of fever, cold, cough or flu—please keep them home. We will be using hand sanitizers in the classrooms as well as cleaning the desks with disinfectant wipes. Please instruct your child to cover their mouth and noses with a tissue when coughing or sneezing (or their shirt sleeves if a tissue is not available).

Basketball Sign-ups

Last week, the St. Dunstan Athletic's commissioners for boys and girls basketball came to speak to our students in Grades 4th through 8th. Permission slips can be obtained on the St. Dunstan's Athletics website (www.saintdunstanchur.org).

School Classroom Use

Parents, please remember that it is our CCD Policy that no food or drink (except) water can be brought into the classrooms during CCD. Students have plenty of time before CCD for snacks and bathroom use. The only time we allow food and drinks into the classrooms is during our scheduled class parties.

Don't be too busy for Mass

Studies show that the best way for parents to be sure their children will remain faithful Catholics when they grow up is to take them to Mass every weekend. That's how children learn that Jesus is there for them now and always. If you have trouble getting your family to Mass, consider this:

"Weekends end to be a busy time for our family."
Schedule Mass on the calendar the way you would an important soccer game or dance performance. There are many different Mass times at different parishes, including Saturday vigils and Sunday nights. Think of Mass the way you do a favorite television show and schedule it in.
